

Early Handy and Eddy sketches

Handy is the blue mouse of these funny comics. He is ready to go. He loves hanging out with **Eddy** and mostly has fun ! He loves the colour blue and also yellow shoes.

Eddy is a very small elephant. He is very funny and loves **Handy**. He loves being cheeky. It's not surprising that he loves the colour grey !

What inspired me to make the character **Handy** were five balloons, three blue and two yellow. The blue balloons are his head and ears and the yellow ones are his shoes.
